

Role Description – Gleaning Captain

Position type: Volunteer

Duration: June to September

Hours: Each pick ranges from 1-3 hours plus time to set-up and deliver fruit

Location: Richmond; Fruit pick details (location, time) will be announced 1-2 weeks prior to the pick.

Reports to: Program Coordinator

What will you do?

- Receive training on leading fruit picks safely and effectively in June/July
- Pick up equipment from Urban Bounty HQ before attending picks
- Arrive early to set-up and orient yourself with the property – identify any safety concerns
- Provide a safety briefing and introduce yourself to volunteers
- Record data such as fruit poundage and volunteer hours
- Deliver fruit to community partner
- Return equipment to Urban Bounty HQ after pick

Qualifications

- Criminal record check with vulnerable sector search and valid standard first aid certificate (Both will be reimbursed by Urban Bounty)
- At least 18 years old
- Drivers license and vehicle (we'll cover mileage)
- Cellphone
- Can commit to at least 2 picks a month from June to September
- Be respectful of tree-owners' property and privacy and represent Urban Bounty well
- Be able to follow safety guidelines, and lead your gleaning team successfully
